**REACTIV TRAINER™**  

---

**QUICK START GUIDE**

## WELCOME TO THE XCELER8 ATHLETICS® SQUAD!

Thank you for purchasing the REACTIV TRAINER™; your reaction system with mirroring training to improve footwork, body awareness, reaction time, acceleration, and deceleration for optimal agility and explosiveness necessary to create separation or lock down an opponent.

The REACTIV TRAINER™ system includes:

- 2 Reactive Belts
- 1 Black (10') Reactive Strap
- 1 Orange (6.5') Reactive Strap
- 1 Grey (4') Reactive Strap
- Carrying Bag

## INSTRUCTIONS

Getting ready for training is easy as one-two-three.

1. Wrap the belt around your waist. Snap it into place. Use straps on either side of the buckle to adjust for waist size.
2. Line up and connect the O-Ring and strap attachments.
3. Attach the strap's Velcro® end to the felt end and you're ready to begin.

## EVADE-X TRAINING VIDEOS

Designed by world-class trainers, we have assembled one-on-one drills that mirror in-game movements to elevate you or your athlete's performance on the field or court.

**DISCLAIMER:** Users of the REACTIV TRAINER™ (exercise product) assume the risk of injury resulting from the use of this exercise product. Children under the age of 18 should use this exercise product under strict adult supervision. Consult your physician prior to using this exercise product or any other exercise equipment. If you experience any sharp pain, shortness of breath, dizziness, or light-headedness when using this exercise product, stop immediately and contact your healthcare provider.

**BEFORE YOU BEGIN:** Never use this exercise product unless it has been thoroughly inspected for damage or defects. If this exercise product is damaged or defective, do not use it and immediately return the exercise product to XCELER8 ATHLETICS® for a replacement. Do not modify the exercise product in any way or use attachments not recommended by the manufacturer.

**CARE:** Do not machine wash this exercise product, use a wet cloth to clean the product. Never store this exercise product where there may be extreme temperatures or direct sunlight or near direct heat sources.
